

TO THE HONORABLE HOUSE OF REPRESENTATIVES OF THE FORTY-FIRST LEGISLATURE:

I return herewith House Bills No. 381, No. 539, No. 627
and No. 716.

I have vetoed each of these bills. They each appear to be
bills drawn as general Acts, but so worded as to attempt to confine their
application to some one county. Each of them attempts to raise the
salary, fees or compensation of some local officer of the county to
which the separate bills are meant to apply.

I do not agree to ^{the unity for the} the increases in compensation which
these several bills would carry, and for that reason I have vetoed the
same and return them herewith.

Respectfully submitted,

Governor.
